

Open Conference sessions

15 November 2013

Present your city's latest lighting initiatives at the LUCI AGM 2013!

The LUCI Open Conference sessions give you the opportunity to showcase your city's lighting projects, master plans or light festivals in a unique international forum.

Organised in parallel tracks, each session will last 20 minutes, with computers and video projectors made available to speakers.

If you would like to make a presentation, please fill in the form below and send it to LUCI by email (luci@luciassociation.org) before the **30th of October 2013**.

** Please note that due to the limited number of presentation time slots, priority will be given on a first come first serve basis.*
