There is no doubt that 2020 is a challenging year for everyone due to the evolving worldwide Covid19 crisis. With your help, LUCI is adapting to the situation, offering new ways to stay connected as a network.

We are pleased to launch two spaces of connection for LUCI members. The LUCI Hub offers an online platform of discussion and exchanges along with being a centre of resources and knowledge on urban lighting. The LUCI Coffee Bre@ks, held every month, will be moments of online networking to explore some of today’s key urban lighting topics.

As we cannot yet gather in person, in the coming months, we invite you to attend these online events that celebrate the wealth of content in our network. They are filled with many opportunities to exchange and collaborate on urban lighting.

We hope to connect soon with LUCI members from around the world.

The LUCI Team
LUCI Executive Committee meeting ........ 15 Sept
LUCI Coffee Bre@k ......................... 17 Sept
LUCI Coffee Bre@k ......................... 15 Oct
LUCI Asia Urban Lighting Workshop .... 2-3 Nov
LUCI General Assembly .................... 9 Nov
Exploring City Nightscapes ............... 9 Nov
LUCI Coffee Bre@k ......................... 19 Nov
Lyon Light Festival Forum Week .......... 7-10 Dec
LUCI Coffee Bre@k ......................... 17 Dec
The LUCI Hub is the new online knowledge-sharing platform for LUCI members worldwide. It is a social space to connect with your LUCI colleagues online, a resource centre on urban lighting, and a collaborative tool to build collective knowledge.

REQUEST ACCESS TO LUCI HUB

LUCI Coffee Bre@ks

Take a quick 30-minute break from your day-to-day and join the LUCI family for online discussions. Each month, a new topic will be on the agenda and it will bring together the LUCI network to recreate the convivial and inspiring moments we share during our events. All members are welcome!

The LUCI Coffee Bre@ks will be held every third Thursday of the month from 10:00 to 10:30 Brussels time.

EU PARTNER EVENT Lighting the Baltic Sea Region - Lucia Webinars

The Lucia project presents a series of six webinars featuring experts and city practitioners. Each webinar will give insights into pilot sites, experiences and interim results of the projects’ partner cities. The webinars will be held every Wednesday at 9:30 Brussels time, starting on 30 September.

www.lucia-project.eu
LUCI Asia Urban Lighting Workshop
With a new online format, this 4th edition of the workshop will enable a strong learning experience for cities and will be an inspiration with lectures and interactive sessions on the topics “The role of urban lighting in the ‘new normal’ era and smart lighting in Asia.”

The LUCI Asia Urban Lighting Workshop will be held on 2 and 3 November.

LUCI General Assembly online
An essential moment of the network’s life, the LUCI General Assembly will be an opportunity for LUCI members to learn about the network’s ongoing and future activities. This year, the General Assembly will take place online and it will be the occasion to vote for the renewal of the LUCI Executive Committee.

The General Assembly will be held on 9 November starting at 9:00 Brussels time.

Webinar: Exploring City Nightscapes
Join us for an introduction to the new publication on city nightscapes by LUCI, produced in partnership with the City of Lyon and the EU ROCK project. This unique compilation features conversations with urban lighting decision-makers from Amsterdam, Antwerp, Bologna, City of London, Ghent, Geneva, Jyväskylä, Lyon, Rotterdam, Seoul, Shanghai and Strasbourg. Come hear from some of the cities featured in the book.

The City Nightscapes webinar will be held on 9 November at 11:00 Brussels time.

Lyon Light Festival Forum Week
In collaboration with the City of Lyon, this year’s LLFF will take place online and will explore many facets of creative lighting. Join us for a series of discussions about lighting and solidarity, lighting and the image of the city, and the transformation of light festivals. In addition, be inspired by Pecha Kucha presentations about creative lighting projects.

The LLFF Week will be held from 7 to 10 December.
