# WHO WE ARE

It all started in 1973, in Apt, when Jean-Paul Blachère lit up his first street.

Lighting became his profession, one that he has pursued with dedication, creating a unique know-how and heritage that he has passed on.

For **50** years,  
we have been designing, creating  
and producing decor and illuminations in  
over 80 countries across the globe with as  
much enthusiasm as that very first day.

**At Blachere, our only goal is  
to light up cities, the places where we live  
with creativity, love and sincerity.**

# OUR SHOWROOM

This is where the magic is beginning (and where a surprise is waiting for you!)
